St John School

Pre K—Grade 8

- Basketball
- Soccer
- Choir
- Student Council
- Computer
- Performing Arts

St John School is like a family to me and my family. I like it so much because it teaches students good morals, love of God and neighbor, respect, and responsibility. St. John has small class size and thus the teachers are able to pay more attention to students' needs. Students who attend St. John do very well in high school, college, and in life. My son is a perfect example.

Our faculty is comprised of a wonderful blend of skilled veterans and fresh, energetic teachers. These teachers collaborate to create an integrated learning environment that is full of energy and uses cutting edge learning strategies.

Our Faith

Our Catholic Faith is central to everything we do. Many of our school activities revolve around the religious aspect of our education. Students receive religious education classes every day, preparation for the Sacraments of First Holy Communion, Reconciliation, and Confirmation. Our students attend Mass weekly and on First Friday. During Lent students attend Stations of the Cross; they participate in Rosary Devotions in May, Novena for Christmas, and celebrate many other religious activities during the school year.
